

Wandering Ear Studios

Located in the Gold Coast hinterland, the studio is a fully equipped boutique facility nestled in the Currumbin Valley, offering a relaxed and inspiring environment in which to be creative. The space currently offers a large control room with enough space to accommodate a four piece band (a separate isolation booth and drum room is in development) with a total of 32 simultaneous recording channels. With highly transparent and clean RME preamps, a wide range of highest quality microphones and editing precision through Pro Tools or Logic Pro software, your musical vision can be achieved with sonic integrity.

Instruments available for use include :

- * Fender Rhodes Mark V Electric Piano & genuine Leslie Speaker
- * Sonor S Class made in Germany Drumkit
- * Gretsch 1960's Round Badge Drumkit - sizes (12,14,18 inch)
- * Vibraphone with pickup system
- * 4.3 octave marimba

Studio Rates

Demo/Independent Artist Tracking

Full band & vocals (up to 4 full days recording) - \$1000

Overdubs - \$50/hour

Dave remote recording drums/percussion/keys for an entire demo (up to 35 mins total) - \$250

Mixing/Re-amping

Recordings either tracked at Dave's studio or elsewhere can be mixed per song. Usually it takes a full day to properly do the first edit and mix of a song. After this, further tweaking can be done under the direction and input of the artist - \$200/song

Individual instrument tracks can be re-amped through a genuine Leslie speaker unit which has 2 rotary speeds (fast & slow) and contains 6 individual speakers - \$50/track

Dry Hire

Wandering Ear Studio can be hired in a way where you bring in your own engineer - \$200/day

A "day" is considered to be 8 hours e.g. 9am-12pm then 1pm-5pm.
